Allergens: At The Yarborough, our dishes are prepared using a variety of ingredients, including nuts and other potential allergens. We take allergen safety very seriously and encourage you to speak with our staff to discuss your specific dietary needs. While we will do our best to accommodate, please be aware that **we are not a nut-free establishment**. Additionally, our kitchen handles a wide range of allergens, and while we make every effort to prevent cross-contamination, some allergens may become airborne and are therefore beyond our control.
